You Got A Henna Tattoo That Said Forever

Emmure

Take me somewhere familiar.
So I can find myself again.
It hurts more than you know.
And I'll ask you, Why?.
Why would you lie to me.
What was the point?
Was your intention to waste my time?
Thought I was digging deep.
Thought I was breaking the bank.
But girls like you are just a dime a dozen.
Just a dime a dozen.
Movie quotes and lyrics still connecting us like constellations.
I wonder if I could ever separate myself from this.
And it'll be awhile, 'til I can breathe again.
Slip me into something warm.
My eyes still scream childhood
