

# Something

**Jim Sturgess**

Something in the way he moves  
Attracts me like no other lover  
Something in the way he woos me  
I don't want to leave him now  
You know I believe him how  
Something in the way he smiles  
And I don't need no other lover  
Something in his style that shows me  
I don't want to leave him now  
You know I believe him how  
You're asking me, will my love grow?  
I don't know, I don't know  
You stick around now it may show  
I don't know, I don't know  
Something in the way he moves  
And all I have to do is think of him  
Something in the things he shows me  
I don't want to leave him now  
You know I believe him how  
You're asking me, will my love grow?  
I don't know, I don't know  
You stick around now it may show  
I don't know, I don't know  
Something in the way he moves  
Something in the way he knows  
Something in the way he smiles  
Something in the way he moves  
Something in the way he smiles  
Something
