Gucci Mane

Hi my name is Gucci Mane, I'm addicted to everything
Bad bitches, fast cars, weed and promethazine
Hi my name is Gucci Mane, I'm addicted to everything
Diamond chains, assault rifles, strip clubs, and gambling
Hi my name is Gucci Mane, I'm addicted to everything
Fast cars, bad bitches, weed and promethazine
Hi my name is Gucci Mane, I'm addicted to everything
Diamond chains, assault rifles, strip clubs, and gambling
Hi my name is Gucci Mane, I'm addicted to everything
Bad bitches, fast cars, weed and promethazine
Diamond chains, tennis chains, assault rifles, and gambling
Sellin' dope and trickin' folks that run in my family
My daddy was an alcoholic, momma she's a junkie daughter
Cousin smokin' crack
I guess she forgot all her aunt done taught her
Plus I got two brothers that I don't know from addicted father
And all the pain I 'caused my mother
Bet she wish she had a daughter
Sellin sets out my momma window, tryna' get a new Starter
Treat Sun Valley like Decatur, Mountain Park like Port Arthur
I know my family dysfunctional so God please help these country folks,
Tired and broke, in need of hope
Cheap heroin, crack and coke
Hi my name is Gucci Mane, I'm addicted to everything
Bad bitches, fast cars, weed and promethazine
Hi my name is Gucci Mane, I'm addicted to everything
Diamond chains, assault rifles, strip clubs, and gambling
Hi my name is Gucci Mane, I'm addicted to everything
Fast cars, bad bitches, weed and promethazine
Hi my name is Gucci Mane, I'm addicted to everything
Diamond chains, assault rifles, strip clubs, and gambling
Gucci Mane a local joker man that nigga regional
And people won't be happy 'til I'm confined to Georgia regional
The third week out of rehab he forgetting what they teachin' him,
Like why you smokin' blunts and sippin' lean
And you a millionaire
Wrecked my yellow Lamb, high on drugs I didn't give a care
Smash my black Ferrari two years later now it need repair
Demons in my ear, got me seein' things wasn't even there
People in my circle say they care, but they don't really care
But I can't blame nobody but myself
It starts with myself, 'cause rap can bring you wealth

But that wealth can destroy your health
Lookin' in the mirror at myself, had to catch my breath
And tell myself that Gucci you a addict, thats the first step
