Running to Stand Still

U2

And so she woke up
Woke up from where she was
Lying still
Said I gotta do something
About where we're goingStep on a steam train
Step out of the driving rain, maybe
Run from the darkness in the night
Singing ha, ah la la la de day
Ah da da da de day
Ah la la de daySweet the sin
Bitter than taste in my mouth
I see seven towers
But I only see one way outYou got to cry without weeping
Talk without speaking
Scream without raising your voiceYou know I took the poison
From the poison stream
Then I floated out of here
Singing ha la la la de day
Ha la la la de day
Ha la la de dayShe runs through the streets
With eyes painted red
Under a black belly of cloud in the rain
In through a doorway she brings me
White gold and pearls stolen from the sea
She is raging
She is raging
And the storm blows up in her eyes
She willSuffer the needle chill
She's running to standStill
