

Hula Hands

[Randy Travis](#)

Lovely hula hands, graceful as a bird in motion
Riding like the dove over the ocean, lovely hula hands

Kah Li ma na ni'ea

Lovely hula hands, telling of the rain in the valleys
And the swirling winds over Na' Pali, lovely hula hands
Kah Li ma na ni'ea I can feel the soft caresses of your hula hands,

Your lovely hula hands

Every little move expresses,

So I'll understand all the tender meanings
Of your hula hands, fingertips that say Aloha
Say to me again I love you, lovely hula hands

Kah Li ma na ni'ea

I can feel the soft caresses of your hula hands,

Your lovely hula hands

Every little move expresses,

So I'll understand all the tender meanings
Of your hula hands, fingertips that say Aloha
Say to me again I love you, lovely hula hands

Kah Li ma na ni'ea...
