

On My Mind

[Dornik](#)

Say dance and the stage getting your groove on
Got a way that can you look on me dancing (so good?)
Got a way that you smile and you're there for the world
Yeah, say things that you hear that wish I can do And I only swing here to the left
Swingin to the right now
Girl I think I got a thing for you
Way you move you make me feel alive
Got me on my high And I just can't get enough of of you, baby
I just wanna hold you
On my mind and it's all of the time
I just wanna hold you, all night
On my mind and it's all of the time
I can't seem to get enough
You're sexy alone, I wish I could be holding you
And breaking the rules of the good just to be there, I should
Girl I'm searching the zone with my doctor on the phone
Maybe know how we do it, it's all on And I'm only doing things for you
I'll never ever do
Oh girl I think I got a thing for you
Though we enter, we say sure
And that's why I love you
And I just can't get enough of you I've been searching (for my love?)
On my mind and it's all of the time
Yeah baby, I want your love
(I just wanna hold you, baby)
I just got to have your love, (yeah)
On my mind and it's all of the time
Ooooh oooh,
I just want you baby, let me hold you baby
Ahhh aahh, I've been searching (for my love?)
Yeah baby, I want your love
(I just wanna hold you, baby)
I just got to have your love, (yeah)
On my mind and it's all of the time Something I know I can't help myself
I can't help myself, no, I can't do it
I Just can't help myself
Feeling lately I can't help myself
No, I can't
