

# Weep In Silence

## Uriah Heep

You who thought your eyes could tell no lies  
So your life became a compromise  
And it was you who had seen men dyin'  
You heard their children cryin'  
While their women weep in silence And you who thought you were so wise  
Succeeded only in disguise  
Now and then you'd find a bridge to cross  
Reach the other side and you'd still be lost  
Evaded by the sweet smell of life And the people that you try to show the way  
Never believe you, never believe you, no way  
And the people that you try to show the way  
Never believe you, never believe you, no way And the people that you try to show the way  
Never believe you, never believe you, no way  
And the people that you try to show the way  
Never believe you, never believe you And you who thought you were so wise  
Succeeded only in disguise  
Now and then you'd find a bridge to cross  
Reach the other side and you'd still be lost  
Evaded by the sweet smell of life While your women weep in silence  
Your women weep in silence  
Women weep in silence
