Broke Down On The Brazos

Gov't Mule

Surrounded by strangers
All my friends are gone
I ain't had the blues yet today
But I can feel them coming onEverywhere I go
Trouble's all I find
No matter what I do
I feel like I'm losing my mindBroke down on the Brazos
Broke down on the Brazos
Broke down on the BrazosLiving in a dream
Chasing a sound
Told everybody I believe
I'm Texas boundHere I am
Well, I guess it's no surprise
Up to my knees in water
Up to my ears in dragonfliesBroke down on the Brazos
Broke down on the Brazos
About to lose my mind
About to lose my mindBroke down on the Brazos
Broke down on the Brazos
Broke down on the Brazos
About to lose my mind
About to lose my mind
