Ratcat

(S.DAY, A.POLIN, M. STEWART)
Mother, mother.
I'm feeling ill.
Can I have a pill.
So Im not so ill.
Father, father.
I'm feeling ill.
Can I have a pill.
So Im not so ill.
The candyman says,
take another pill and make
the world seem good.
Doctor, doctor.
I'm feeling ill.
Can you get me a pill.
So Im not so ill.
Doctor, doctor.
I'm feeling ill.
Can you get me a pill
So I can get my thrils.
The candyman says,
take another pill and make
the world seem good.
Doctor, doctor.
You're looking ill
Maybee take a pill.
So you're not so ill.
Doctor, doctor.
You're looking ill
Maybee take a pill.
So you can get your thrills.
The candyman says,
take another pill and make
the world seem good.
Make the world seem good (*6)
