

# Flying Solo (Prod. By Bryan Kennedy) (2008)

Chris Brown

Departure time 7:30  
I'm packed and ready to go  
First class ticket out of here  
I think it's time  
To put it back in gear  
No more stand by  
I'm trying to steer clear  
Turbulence got me nervous  
I should have never flown  
Scared when you fly alone again  
You know the atmosphere wasn't perfect  
I'm thinking to myself,  
Was it worth it?  
[Bridge]  
Layover's almost over,  
I can see clearly,  
No more stormy weather  
Exit row  
Don't pull on the lever, lever  
This gon' be my final destination  
No more sittin' around having my time wasted  
You say its now or never  
I pick never, we can be together  
So calm down  
No more red-eyed late nights  
I'm one way, no more connected flights, when...  
[Chorus]  
When we started I know this relationship was unhealthy  
You broke the code  
Never thought that you would stoop so low (low)  
You got me flyin' solo  
Now you cryin' talkin' 'bout you can't live without me, yeah  
My heart is sold  
Shoulda never ever left me this cold  
you got me flyin' solo  
Solo solo solo  
Solo solo solo  
Solo solo solo  
You've got me flying (you've got me flying)

Solo solo solo  
Solo solo solo  
Solo solo solo  
You've got me flying  
You've got me flying solo  
Touchin' down 11:30  
I'm rushing through the doors  
I'm in a good place now  
I can't find my baggage  
And I don't even want it back  
And I don't want to have it no more  
I don't need to carry on  
It's gonna weigh me down  
You didn't think that I would find out  
Whether or not who was wrong or right  
I can't talk now,  
I gotta catch another flight  
[Bridge]  
Layover's almost over,  
I can see clearly,  
No more stormy weather  
Exit row  
Don't pull on the lever, lever  
This gon' be my final destination  
No more sittin' around having my time wasted  
You say its now or never  
I pick never, we can be together  
So calm down  
No more red-eyed late nights  
I'm one way, no more connected flights, when...  
[Chorus]  
When it started out, no this relationship was unhealthy  
You broke the code  
Never thought that you would stoop so low (low)  
You got me flyin' solo  
Now you cryin' talkin' 'bout you can't live without me, yeah  
My heart is sold  
Shoulda never ever left me this cold  
And now you flyin' solo  
Solo solo solo  
Solo solo solo  
Solo solo solo  
Youve got me flying (youve got me flying)  
Solo solo solo  
Solo solo solo

Solo solo solo  
You've got me flying  
You've got me flying solo  
Thought I was scared to fly without you here  
Now you can't get under my skin  
Like you did before, why?  
I was so reluctant to walk out on us  
So now I'm taking back my life  
Good-bye, yeah, yeah  
[Chorus]  
When it started out, no this relationship was unhealthy  
You broke the code  
Never thought that you would stoop so low  
You've got me flyin' solo  
Now you cryin' talkin' 'bout you can't live without me, yeah  
My heart is sold  
Shoulda never ever left me this cold  
You've got me flyin' solo  
Solo solo solo  
Solo solo solo  
Solo solo solo  
You've got me flying (you've got me flying)  
Solo solo solo  
Solo solo solo  
Solo solo solo  
You've got me flying  
You've got me flying solo
