

Jack

The McClymonts

Jack, who's got your back?
Did you think about that?
Who's got your back? So, you hit the ground
Who's gonna pick you up now?
When you're on the ground You can't run
And you can't hide away
Not today Jack, too slow to learn
You nearly missed your turn
Cause you never did learn So, you're on your own
And no place to go
Cause you're on your own You wake up, it's me you always see
'Cause you messed up, I hope it's hard to sleep
Too scared to dream So, you coulda let me know
When you wanted to go
You coulda let me know Jack, I got your back
You didn't think about that
Well, I got your back Oh, Jack, who's got your back?
Did you think about that?
I don't want you back Who's got your back?
I don't want you back
Who's got your back?
