

Sentimental Hygiene

Warren Zevon

Every day I get up in the morning and go to work
And do my job whatever
I need some
Sentimental hygieneEverybody's at war these days
Let's have a mini-surrender
I need some
Sentimental hygieneEverybody's had to hurt about it
No one wants to go without it
It's so hard to find it
Sentimental hygieneEvery night I come home exhausted
From trying to get along
I need some
Sentimental hygieneEverybody's joining up to fight
For the right to be wrong
I need some
Sentimental hygieneSome nights I drive my car
Up and down the boulevard
It's so hard to find it
Sentimental hygieneEverybody's had to hurt about it
No one wants to go without it
It's so hard to find it
Sentimental hygieneSome nights I drive my car
Up and down the boulevard
It's so hard to find it
Sentimental hygieneSentimental hygiene
I need some
Sentimental hygiene
