Cool Ya (Nobody Loves You Like I Do)

Andrew Ripp

Up in the valley
Down on the mountain
(Cool, cool, cool ya')
Pray for a drop
and dance for a fountain
(Cool, cool, cool ya')Fallen daughters,
somewhere sons
Don't you know that
you ain't alone?[Chorus]
Nobody loves you like I do
Nobody loves you like I do
Nobody loves you like I do
Nobody, nobodyUp in the valley
Down on the mountain
Pray for a drop
and dance for a fountainWhen your storm blows out
Just quit countin'
Let the hallelujah roll right through
When the well runs dry, let the river cool ya'(Cool, cool, cool ya')Wilted flower
Wounded storm
Rest your weary in these arms
(cool ya')[Chorus]
Nobody loves you like I do
Nobody loves you like I do
Nobody loves you like I do
Nobody, nobodyUp in the valley
Down on the mountain
Pray for a drop
and dance for a fountain
When your storm blows out
Just quit countin'
Let the hallelujah roll right through ya'Up in the valley
Down on the mountain
Pray for a drop
and dance for a fountainWhen your storm blows out
Just quit countin'
Let the hallelujah roll right through
When the well runs dry, let the river cool ya'[Chorus]
Nobody loves you like I do

Nobody loves you like I do
Nobody loves you like I do
Nobody, nobody
