

Madrigal

Ninja Sex Party

When the dragons grow too mighty
To slay with pen or sword
I grow weary of the battle
And the storm I walk toward

When all around is madness
And there's no safe port in view
I long to turn my path homeward
To stop a while with you

When life becomes as barren
And as cold as winter skies
There's a beacon in the darkness
In a distant pair of eyes

In vain to search for honor
In vain to search for truth
But these things can still be given
Your love has shown me proof
