Happy Christmas

Colbie Caillat

It's almost Christmas
Everyone is wishing for everything they've always wanted
And a beautiful, shiny winter wonderland
It's too easy to get temped
Cinnamon cider, sparkling diamonds
Presents too big for the tree
So much shopping, there's no time left
For my friends and my family
Maybe we worry too much about wishing
And not enough about giving
Cause some people have nothing at all
Giving is priceless
Random acts of kindness
Remember the homeless
Cause this is Christmas
Give hope to the hopeless
Love to the loveless
Remind us to be selfless
Cause this is Christmas
So here's my happy Christmas to you
(Happy Christmas)
Here's my happy Christmas to you
So let's just spend some time together
And be grateful that we're safe and warm
That our house is filled with songs and laughter
We gather by the fire making s'mores
It's caring and sharing
All of the good things
Not taking anything for granted
And we have

Giving is priceless
Random acts of kindness
Remember the homeless
Cause this is Christmas
Give hope to the hopeless
Love to the loveless
Remind us to be selfless
Cause this is Christmas

So here's my happy Christmas to you
(Happy Christmas)
Here's my happy Christmas to you
I remember Christmas day
We go run outside and play
Easy snow, snow fight, snowman
Scenery in your eyes, holding grandpas' in
I'm just asking for one day
Let's keep making memories
Can we stay whole together, please?
By the Christmas tree
Giving is priceless
Random acts of kindness
Remember the homeless
Cause this is Christmas
Give hope to the hopeless
Love to the loveless
Remind us to be selfless
Cause this is Christmas
So here's my happy Christmas to you
(Happy Christmas)
Here's my happy Christmas to you
So here's my happy Christmas to you
