

Move Like a Soldier

Kristina Maria

Iâ€™m going nuts here
Thinking how I couldâ€™ve been brave, not a quitter
Yes I can stop now, but Iâ€™m going to practice my aim in the mirror
Tonight, Iâ€™m holding out till the morning
Iâ€™m holding out till the morning comes
And I can have your attention
Show you how Iâ€™m the only one

To break down your walls
Highjack your brain
Run through your veins
Iâ€™m going to move like a soldier (Iâ€™m going like a tank)
Iâ€™m going to move like a soldier (Iâ€™m go-going like a tank)

Iâ€™m going to crawl through your skin
Get through your head
Fight â€™till the end
Iâ€™m going to move like a soldier (Iâ€™m going like a tank)
Iâ€™m going to move like a soldier (Iâ€™m go-going like a tank)

Itâ€™s such a letdown
How come I just canâ€™t put my money where my mouth is, yeah
Instead of letting me down, I should be feeling you up
Instead of running away, I should be making you stay
Tonight (tonight)
Iâ€™m holding onto the moon
It comes, when I can get your attention (attention)
And show you how Iâ€™m the only one

To break down your walls
Highjack your brain
Run through your veins
Iâ€™m going to move like a soldier (Iâ€™m going like a tank)
Iâ€™m going to move like a soldier (Iâ€™m go-going like a tank)

Iâ€™m going to crawl through your skin
Get through your head
Fight â€™till the end
Iâ€™m going to move like a soldier (Iâ€™m going like a tank)

Iâ€™m going to move like a soldier (Iâ€™m go-going like a tank)

When I find you, not going to let you go

When I find you, not going to let you go

When I find you, Iâ€™ll never let you go

Iâ€™m going to break down your walls (your walls)

Highjack your brain (your brain)

Run through your veins

Iâ€™m going to move like a soldier (Iâ€™m going like a tank)

Iâ€™m going to move like a soldier (Iâ€™m go-going like a tank)

Iâ€™m going to crawl through your skin (your skin)

Get through your head (your head)

Fight â€™till the end (uh uh)

Iâ€™m going to move like a soldier (Iâ€™m going like a tank)

Iâ€™m going to move like a soldier (Iâ€™m go-going like a tank)
