

In Bloom

Nirvana

Sell kids for food, weather changes moods
Spring is here again, reproductive glands
He's the one who likes all our pretty songs
And he likes to sing along and he likes to shoot his gun
But he knows not what it means
Knows not what it means and I say
He's the one who likes all our pretty songs
And he likes to sing along and he likes to shoot his gun
But he knows not what it means
Knows not what it means and I say, yeah
We can have some more, Nature is a whore
Bruises on the fruit, tender age in bloom
He's the one who likes all our pretty songs
And he likes to sing along and he likes to shoot his gun
But he knows not what it means
Knows not what it means and I say
He's the one who likes all our pretty songs
And he likes to sing along and he likes to shoot his gun
But he knows not what it means
Knows not what it means and I say yeah
He's the one who like all our pretty songs
And he likes to sing along and he likes to shoot his gun
But he knows not what it means
Knows not what it means, knows not what it means
Knows not what it means and I say yeah
