

Raggare Is a Bunch of Motherfuckers

Turbonegro

Raggare [4x] -Raggare is a bunch -
Raggare is a bunch, bunch, bunch -
A bunch of motherfuckers -
A bunch of motherfuckers -Raggare is a gang of freaks -
Who always beats the geeks -
Going around -
In their big American cars -
Think they are owners of the town -
But they're not -
They are nothing -
Nothing, nothing, nothing but animals -
Monkey - donkey - kangaroo -
They've got no -
No, no, no - no, no, no -
No IQ -They are nothing -
Nothing, nothing, nothing but animals -
Fucking animals -Raggare [4x] -Raggare is a bunch -
Raggare is a bunch, bunch, bunch -
A bunch of motherfuckers -
A bunch of motherfuckers -The only thing they do all day -
Fight, fight, fight - fight, fight, fight -
Why, why, why - why, why, why -
Why don't someone do something against them -No one dares - The cops are scared - [8x] -
