Physical

Olivia Newton-John

I'm saying all the things that I know you'll like Making good conversation I gotta handle you just right You know what I meanI took you to an intimate restaurant Then to a suggestive movie There's nothing left to talk about Unless it's horizontallyLet's get physical, physical I wanna get physical, let's get into physical Let me hear your body talk, your body talk Let me hear your body talkLet's get physical, physical I wanna get physical, let's get into physical Let me hear your body talk, your body talk Let me hear your body talkI've been patient, I've been good Tried to keep my hands on the table It's gettin' hard this holdin' back You know what I meanI'm sure you'll understand my point of view We know each other mentally You gotta know that you're bringin' out The animal in meLet's get physical, physical I wanna get physical, let's get into physical Let me hear your body talk, your body talk Let me hear your body talkLet's get physical, physical I wanna get physical, let's get into physical Let me hear your body talk, your body talk Let me hear your body talkLet's get physical, physical I wanna get physical, let's get into physical Let me hear your body talk, your body talk Let me hear your body talkLet's get animal, animal I wanna get animal, let's get into animal Let me hear your body talk, your body talk Let me hear your body talkLet me hear your body talk Let me hear your body talk
