

# What? (The Naughty Cheerleader Mix)

## Rob Zombie

Alright I'm breathing to the dead  
With a billy club in my hand  
Jack the Ripper said  
What  
She married a monster  
On the very last day  
She turned around and said  
What  
I was a teenage  
A something or other  
With a church fireman  
What Vampire lovers in palm bikinis said  
Uh huh huh, Uh huh huh, Uh huh huh, Uh huh huh  
Cannibal man and the jungle girls say  
Uh huh huh, Uh huh huh, Uh huh huh, Uh huh huh Let's go A black cobweb  
A Fu Manchu  
They do not know what to do  
What  
I got a motel  
With the red eyes and  
I can hear screaming  
What  
A real mastermind  
A genius of some kind  
My God does not understand Vampire lovers in palm bikinis said  
Uh huh huh, Uh huh huh, Uh huh huh, Uh huh huh  
Cannibal man and the jungle girls say  
Uh huh huh, Uh huh huh, Uh huh huh, Uh huh huh A midnight offering  
And the mini skirts  
I missed ol' rock and roll Fate and chili dogs  
Knives and pom poms  
Knives and pom poms Rave on with me  
Rave on with me  
Rave on with me Vampire lovers in palm bikinis said  
Uh huh huh, Uh huh huh, Uh huh huh, Uh huh huh  
Cannibal man and the jungle girls say  
Uh huh huh, Uh huh huh, Uh huh huh, Uh huh huh Rave on with it  
Rave on with it  
Rave on with it On and on Rave on with it

Rave on with it  
Rave on with it On and on
