

Shinobi vs. Dragon Ninja (album version)

Lostprophets

Got it all too high
Got it figured out,
I want to do whatever
Laugh until September
And I seem to think that you are one to be with me
Maybe I was wrong
You were moving on
And I sit and wonder
Falling under
Get my way or nothing will move on
Everyone has gone
You feel so empty, but I've got me a friend
And I like it
And I know you say I can care for someone
But are you that clever that you smile forever?
If its something like here
Cause I just don't feel it
Baby its a treaty
Maybe you are not her
And I sit and wonder, falling under
Get my way or nothing will move on
Everyone has gone.
You feel so empty, but I've got me a friend
And I like it, oh!
Say now, got it for all of me
Answer why
Laugh until September,
And I seem to think that you were once here with me
