Macbeth

Scarlet Fade

Verse:
Were we assuming too much
In a virtual touch
That claimed all our lives in what
Were calling love
All the smiles weve created
In bedtimes
Daggers flew out as you smiled at mineChorus:
In this place
Im ready to find a door to the day
Lost and ashamed
Ready to give up everything Ive made
In this darkened room
But I could never see past the darkVerse:
Could we just stop the one thought
That got us so caught
In every web side and every stop sign
All the pain weve caused
In lullabies
Thinking the children would never knowOutro:
Oh, to tell the truth to you
That would make me fine
To sing a constant melody
But its different every time
