## HARD LOVE (feat. Andra Day)

## **NEEDTOBREATHE**

Trading punches with the heart of darkness
On it goes with your fear and gone it

Never gone until it's stripped away

A part of you has gotta die to changeIn the morning you gon' need an answer

Ain't nobody gonna change the standard

It's not enough to just feel the fight

You gotta burn your whole self awayHold on tight a little longer

What don't kill ya, makes ya stronger

Get back up cause it's a hard love

You can't change without a fallout

It's gon' hurt but don't you slow down

Get back up cause it's a hard love

You know the situation can't be right

And all you ever do is fight

But there's a reason that the road is long

It takes some time to make your courage strong

Hold on tight a little longer

What don't kill ya, makes ya stronger

Get back up cause it's a hard love

You can't change without a fallout

It's gon' hurt but don't you slow down

Get back up cause it's a hard love

When the wolves come and hunt me down

I will face them off and stand my ground

Cause there's a fire burnin' me

They will see my strength

In this love I've found

Oh

Hold on tight a little longer

What don't kill ya, makes ya stronger

Get back up cause it's a hard love

You can't change without a fallout

It's gon' hurt but don't you slow down

Get back up cause it's a hard love(It's a hard love)

(It's a hard love)

(It's a hard love)

(It's a hard love)Oh it's a hard love

Hold on tight a little longer

What don't kill ya, makes ya stronger

Get back up cause it's a hard love

You can't change without a fallout

It's gon' hurt but don't you slow down

Get back up cause it's a hard love
