Girl In The Band

Haylie Duff

Wake up in the morning
Looking a little rough
Today, I dont know who I am
Today that's not enoughSo I go up to the mirror
Strike another pose
Half is sad, good, bad
With every changing clothesBut everything I see is me
Yeah, meIm the girl in the band
The world looks good from where I stand
You hear me, raise your hand
For the girl in the bandLet the party begin
Im feeling good inside my skin
The world at my command
Im the girl in the bandAint no doubt about it
You can tell by the way I walk
Im cruising by, head held high
I can talk the talkOne, two, three, four
Uh, ready or not
I got to put it on the line
Got to show you what Ive gotAnd I know what you see is me
Yeah, meIm the girl in the band
The world looks good from where I stand
You hear me, raise your hand
For the girl in the bandLet the party begin
Im feeling good inside my skin
The world at my command
Im the girl in the bandWhy, oh why, aint I
(Aint I done this before)
I just want whats mine
(Whats mine and nothing more)
It's time, it's time, its time
(It's time to come out strong)
I just want to sing my songHey you, get out you see
Get over yourself, get on the beat
Hey you, get off your cloud
Come down to earth, get into the crowdAnd I know what you see is meIm the girl in the band
The world looks good from where I stand
You hear me raise your hand
For the girl in the bandLet the party begin

Im feeling good inside my skin
The world at my command
Im the girl in the bandIm the girl in the band
You hear me, raise your hand
