Sunshine

Blanca

When life is hard
And I'm feeling low
You are always there
No matter where I go

Your perfect love
Is shinning down
Yeah, it's everywhere
I feel You all around

When I see the sky looking like rain
You take the clouds and push them all away
Bringing me a brighter day

'Cause You are my sunshine, sunshine
And You make it alright, alright
Whatever it is I'm going through
I'll be OK 'cause I've got You, You

You're high above
But still so close
You light up the world
However the wind blows
Do you know how much I need You?
Words just can't explain Your love
It's everything, oh yeah

You make me happy when skies are gray
All of my worries fade away with You
And that shows what to do
You make me happy when skies are gray
I've got a joy that's here to stay, it's true
Your will shows what to do

'Cause You are my sunshine
Lord, You make it alright
