

# Looking At You

## The Damned

When it happened, something snapped inside me  
Made me wanna hide  
All on my own, all on my own  
I stood up on the stand, my eyes shut tight  
Didn't wanna see anybody  
Feeling alright, having a good time heh  
Doing alright, doing alright  
Doing alright, doing alright I saw into the dancing crowd, felt like screaming out loud  
I saw you standing there  
Saw your long, your long hair  
Opened up my eyes baby  
You made me realize what I wanna do now  
I wanna do now babe, looking at you  
Looking at you babe, looking at you  
Looking at you, looking at you baby You baby, you baby, you baby  
You baby, you baby  
Yeah yeah  
Alright
