

Last Dance (Reeva & Black Dub)

[Avicii](#)

If this is our last, last dance
Move a bit closer, just let it take over
And if this is our final chance
Lets make it worth it and dance until we stop the worldIf this is our last, last dance
Move a bit closer, just let it take over
And if this is our final chance
Lets make it worth it and dance until we stop the worldIf this is our last, last dance
Move a bit closer, just let it take over
And if this is our final chance
Lets make it worth it and dance until we stop the worldIf this is our last, last dance
Move a bit closer, just let it take over
And if this is our final chance
Lets make it worth it and dance until we stop the world
