

# Psychosomatic

## Cavalera Conspiracy

War! Psychosomatic  
Fire! I see across  
Psychosomatic  
Lunacy of war  
Psychosomatic  
Psychopathic threat  
Psychosomatic  
Let's forget  
Psychosomatic  
Mentally sick  
Psychosomatic  
Temporarily deranged  
Psychosomatic  
Live in the now  
Psychosomatic  
Truth to the mouth We are on that program  
Woke up  
We are that broke  
We are!  
Behold!  
No sanctuary now  
I am psychosomatic now Psychosomatic  
Cult inner threat  
Psychosomatic  
Constant covert  
Psychosomatic  
Something to inflict  
Psychosomatic  
Ain't see, inflict  
Psychosomatic  
Taking the fall  
Psychosomatic  
Rapid to revenge  
Psychosomatic  
Where did it come from?  
Psychosomatic  
Broke the six pack We are on that program  
Woke up  
We are that broke

We are!  
Behold!  
No sanctuary now  
I am psychosomatic now Psychosomatic!  
No sanctuary!  
Psychosomatic!  
No sanctuary!
