## **Merry Christmas Baby**

## Kem

Merry Christmas baby You sure do treat me nice Merry Christmas baby You sure do treat me nice, yes you do You bought me a diamond ring for Christmas now I'm living in paradise I'm feeling mighty fine Got good music on my radio Said I'm feeling mighty fine girl Got good music on my radio babe And I wanna kiss you baby Stand beneath the mistletoe yeah right hereSanta came down the chimmney By one half passed through Of all these groovy presents that you see before me girl Merry Christmas baby Sure been good to me I ain't had a drink this morning But I'm lit up like a Christmas tree
