# Anyway

## Steve Perry

AnywayStill I Remember....I'd like to say I'm sorry
I'd like to make amens
I'd close my eyes and tell the truith
Where would I beginThe story's far from simple
I'm so afaid to show
I never want to run again
I want to let you knowAnyway
What was I saying
Anyway
I seem to have lost my place againAnyway
So now I need just to forget
But I can't do it
Whoa I try
AnywayWe believed in music
Brothers till the end
Nothin stood between us
The fire burned withinWhoa how I remember
Beneathe the lights
Lost in my insanity
Striving to surviveAnyway
What was I saying
Anyway
I seem to have lost my place againAnyway
Whoa how I need just to forget
But I can't do
Whoa I try
Still I can't do it
Whoa I try
Oh I try
Anyway(On and on and on and on)
Still I remember
Still I remember
Haunting me
Calling me
No No -No No -No No(On and on and on and on)
(On and on and on and on)Still I remember
Still I remember
Haunting me
Calling meWhat was I sayingAnyway
