

# Are You Ever Gonna Love Me?

**Jimmy Wayne**

Tell me what else can I do, tell me what else can I say,  
The closer that I get to you, the further you push me away,  
Till I don't know where, to go, and I don't know why I stay,  
Do you even care, or am I, some little game you play  
Are you ever gonna need me baby, like I need you,  
Are you ever gonna want me baby, the way I want you to,  
I know that you love me,  
And oh I know down deep you do,  
But are you ever gonna love me,  
The way I love you I never know how you feel,  
I can't read your mind,  
I just keep waitin, am I, just wasting time,  
Are you ever gonna need me baby, like I need you,  
Are you ever gonna want me baby, the way I want you to,  
I know that you love me,  
And oh I know down deep you do,  
But are you ever gonna love me,  
Are you ever gonna love me,  
The way I love you
