Stay With Me

Whitesnake

Where did you go
When things went wrong, baby?
And who did you run to
And find a shoulder to lay your head upon?Baby, wasn't I there?
Didn't I take good care of you?
Oh no, I can't believe, you're leaving meStay with me, baby
Stay with me, baby
Won't you stay with me, baby?
I can't go onWho did you touch
When you needed tenderness?
I gave so much
And in return I found happinessBaby, what did I do?
Maybe, I was too good, too good for you
No, no, I can't believe you're leaving meStay with me, baby
Stay with me, baby
Won't you stay with me, baby?
I can't go on, I can't go onRemember, you said you're always gonna need me
Remember, you said you'd never ever leave me
Remember, remember, I'm asking you, begging youStay with me, baby
Stay with me, baby
Won't you stay with me, baby?
I can't go on, can't go onStay with me, baby
Please stay with me, stay with me, baby
Won't you stay with me, baby?
I can't go on
