Turn Back Time

Tina Cousins

Didn't mean to hurt you, how was I so weak?
Ain't nothing sacred in this world at all
Took your love for granted now it cuts so deep
I never saw the writing on the wallIt's too late, I had your love but I pushed it away
Twist of fate it's hard to find the words to sayBut now I wanna turn back time
I've realized there's no love like the one I left behind
And if I have to wait in line
There'll come a day I'll find a way to turn back timeNever saw it coming, I was such a fool
Too busy dreaming to read between the lines
But going 'round in circles got me so confused
I can't believe I never saw the signsNow it's too late, I had your love but it supped away
Twist of fate it's hard to find the words to sayNever saw it coming I was such a fool
Too busy dreaming to read between the lines
But going 'round in circles got me so confused
I can't believe I never saw the signs
