

# Peter's Denial

[jc](#)ss

I think I've seen you somewhere  
I remember  
You were with that man  
They took away  
I recognize your face You've got the wrong man, lady  
I don't know him  
And I wasn't where  
He was tonight  
Never near the place That's strange  
For I am sure I saw you with him  
You were right by his side  
And yet you denied? I tell you  
I was never ever with him  
But I saw you too  
It looked just like you I don't know him Peter don't you know what you have said  
You've gone and cut him dead I had to do it  
Don't you see?  
Or else they'd go for me It's what he told us you would do  
I wonder how he knew?
