

# Wasn't It Good

Cher

Wasn't it good?  
Wasn't it good?  
Wasn't it good  
The way that I touched you late last night?  
Wasn't it good again  
In the morning's early light?  
Did you know  
When you closed that bedroom door  
I betcha didn't know  
Exactly what I had in store  
Wasn't it good  
When you felt it coming through you?  
Wasn't it good  
That I knew just how to do you?  
Did you know  
You never had it like this before?  
I betcha didn't know  
You'd be coming around back for more, more, more  
Let's have a party  
Love's pouring out of my soul  
I'm your party, hearty  
And let the future take control  
Just remember my darling  
When there's time to spare  
You'll be thinking about me  
And our hot affair  
Saying, wasn't it good  
Wasn't it good, so good  
Wasn't it good  
When you let your body go?  
Wasn't it good  
When you let the juices flow?  
Did you know  
You never had it like this before?  
  
That I betcha didn't know  
That they don't make 'em like me no more, more, more  
Let's have a party  
Love's pouring out of my soul

I'm your party, hearty  
And let the future take control  
So let's have a party  
We'll make the best of it while we can  
God you won't be sorry  
'Cause I'm committed to pleasing my man, my man  
Just remember my darling  
When there's time to spare  
I'll be thinking about you  
And our hot affair  
Saying, wasn't it good  
Wasn't it good, so good  
Wasn't it good  
Wasn't it good, so good  
Wasn't it good  
Wasn't it good, so good  
Was it was it really good  
You love it didn't you lover  
God I'm so, ooh, shoot  
Am I good?  
Did you love it, did you want it  
Can you dig it, baby, baby, so good  
Wasn't it good  
Wasn't it good, so good  
Wasn't it good  
Wasn't it good, so good  
Wasn't it good  
Wasn't it good, so good
