

Take A Chance With Me

Roxy Music

As they say, two can play
But keep that song away from me
In my time too much love
Has made me sad for so long
I was lost, can't you see
Through the long lonely night Heaven knows, I believe
Won't you take a chance with me
Sometimes I get so blue
People say I'm just a fool
All the world, even you
Should learn to love the way I do I was blind, can't you see
Through the long lonely night
Heaven knows, I believe
You can take a chance with me
