

Hold On You

Ponderosa

Pain, take all this pain
Take it away, take it away
Rope, walk on the rope
He takes your soul, he takes your soulThat's when you know
He's got a hold, hold on
That's when you know
He's got a hold, hold on youPain, take all this pain
Take it away, take it away
Rope, walk on the rope
He takes your soul, he takes your soul, oh yeahThat's when you know
He's got a hold, hold on
That's when you know
He's got a hold, hold on you, yeah
Oh yeah, yeahThat's when you know
He's got a hold, hold on
That's when you know
He's got a hold, hold on youThat's when you know
He's got a hold, hold on you
