

Man

The Bird and the Bee

Dont, dont, dont, dont leave me
Dont leave me here
Skirt in the air with muted cares
All limbs and love absurd I know I say just let me stay
But stomp the ground, push me around
And send me on my way No, no, no, dont leave me
Dont take my word
Ive lost my head, I need my bed
I promise you my bird When I awake all sweet and sound
Without a care or woe
Ill thank you, dear, Ill kiss you, love
No matter friend or foe I want to be the best I can
For me, for you, for every man
But I can slip, I lose my place
This shamefulness is hard to face No, no, no, dont tell me
Of what Ive done
I might ignore, just close the door
Before you have your fun You tell it with such grace and wit
I know it can be humorous
But I dont have the heart for it Oh, oh, oh, dont look
Ive lost my way
Ill button up, hold out my cup
And beg for a cliché I have no rights to a complaint
I guess its just a little nuts
Were all a bit insane I want to be the best I can
For me, for you, for every man
But I can slip, I lose my place
This shamefulness is hard to face Oh, please let me
Keep my head
It wouldnt do you any good
Just hanging by a thread I want to be the best I can
Nose to the ground
Its pound for pound
Or stick it to the man I want to be the best I can
For me, for you, for every man
But I can slip, I lose my place
This shamefulness is hard to face I want to be the best I can
For me, for you, for every man
But I can slip, I lose my place

This shamefulfulness is hard to face
