One More Chance (Ron G Club Remix)

Michael Jackson

Uh huh alright

This time I'm gonna do my best to make it right

Can't go on without you by my side

Hold on

Shelter come and rescue me out of this storm

And out of this cold I need someone

Oh why oh lord why why

If you see her

tell her this for me

All I need isOne more chance at love

One more chance at love

(One more)

One more chance at love

One more chance at love

(See)

(One more)

One more chance at love

One more chance at love

(One more)

One more chance at love

(Alright)

One more chance at loveSearching, for that one who is going to make me whole

Help me make these mysteries unfold

Hold on

Lightning about to strike and rain only on me

Hurt so bad sometimes it's hard to breathe

Oh why why

If you see her

Tell her this from me

All I need isOne more chance at love

One more chance at love

(One more)

One more chance at love

One more chance at love

(One more chance for love)

One more chance at love

One more chance at love

(One more)

One more chance at love

One more chance at loveAnd I will walk around this world to find her And I don't care what it takes no

Why

I'd sail the seven seas to be near her

And if you happen to see her

See tell her this from meOne more chance at love

(Yeah, yeah)

One more chance at love

(Tell her this for me)

One more chance at love

(Yeah, Yeah)

One more chance at love

One more chance at love

One more chance at love

(Lovin' you)

One more chance at love

(I can't stop)

One more chance at love

(Lovin' you)

One more chance at love

(Yeah one more)

One more chance at love

One more chance at love

(For love)

One more chance at love

One more chance at love

(Yeah I can't stop)

One more chance at love

One more chance at love

(Lovin' you)

One more chance at love

One more chance at love

(I can't stop)

One more chance at love

(Lovin' you)

(Aaow)

One more chance at love

(I can't stop)

One more chance at love
