Shifty One

Eldest 11

Dear love, you're not the finest one.
I guess love wasn't enough to push, pull, lock and load.
How is everything that you unload?
But it's nice to see the lump stuck in the spoke of your throat.
I know you're sorry...but this time, I need to believe.
I didn't believe. I NEEDED TO BELIEVE, IT WASN'T ME.
Fuck the lies and your good intentions...
If you prefer? I can fluctuate putting this in your face.
HOW LONG will you BE a SHIFTY ONE? You, my love...
(I know you're broken like me)
HOW LONG will you BE a SHIFTY ONE?
(I know you're broken like me)
How can I ever love? You?
You always seem to take too much out of me.
Everytime that I tried to see,
but it feels like no one is ever listening.
You always said that you'd know me forever...Forever...
but I can't believe when you push, pull, lock and load your disease.
I didn't believe. I NEEDED TO BELIEVE, IT WASN'T ME.
Fuck the lies and your good intentions...
If you prefer? I can fluctuate putting this in your face.
HOW LONG will you BE a SHIFTY ONE? You, my love...
(I know you're broken like me)
HOW LONG will you BE a SHIFTY ONE?
(I know you're broken like me)
How can I ever love? You?
You're dead...You're dead...You're dead to me, you're dead...
You're dead...You're dead...You're dead to me, you're dead...
WITH A PRETTY FACE...
You're dead to me, nothing you can ever say,
Will ever bring this back the way...
I've spent my time in the rotate.
I'll never be the same since I kissed the ground.
For the first time, with the trauma team.
We're the comeback KINGS...
Fuck the drama Queens.
(Fuck you drama Queens)
When you come back to me, COME BACK CRAWLING!
HOW LONG will you BE a SHIFTY ONE? You, my love...

(I know you're broken like me)
HOW LONG will you BE a SHIFTY ONE?
(I know you're broken like me)
How can I ever love? You?
You're DEAD...
You're DEAD...
