

# If I Were You

Stevie Nicks

Oh, oh, ohBaby, how much closer can we be  
Well, I swear, you've become a part of me  
Well, you are with me, everywhere I go  
And if you feel it, I already knowWell, everything I say to you is true  
Well, I don't want to tell you what to doBut if I were you, I would take the love, I'm giving to you  
Yes, if I were you, oh, oh, oh, oh, oh  
If I were you, I would trust in me like I trust in you  
Yes, if I were you, oh, oh, oh, oh, ohI know what you're dreaming when you sleep  
Baby, you have secrets, I will always keep  
And in every morning when we arise  
Well, I see my reflection in your eyesEvery boy must learn to be a man  
Well, maybe I can help you, yes I canBut if I were you, I would take the love I'm giving to you  
Yes, if I were you, oh, oh, oh, oh, oh  
If I were you, I would trust in me like I trust in you  
Yes, if I were you, oh, oh, oh, oh, oh, oh, oh, oh, oh, ohWell, I believe that love is a living thing  
Born into our destinies  
From a single moment of inspiration  
And as it grows, it changes our lives foreverBut if I were you, I would take the love I'm giving to you  
Yes, if I were you, oh, oh, oh, oh, oh  
And if I were you, I would trust in me like I trust in you  
Yes, if I were you, oh, oh, oh, oh, oh(If I were you)  
Our love is what you feel, our love is what you want  
(Oh, oh, oh, oh, oh)  
Why don't you tell me that you feel love like I do and I do  
(If I were you)  
And you know everytime I look into your eyes  
(Oh, oh, oh, oh, oh)  
I just can't escape, can't escape [Incomprehensible]
