

# Fields Of Clover (Digitally Remastered: 1996)

## The Box Tops

You're walking in fields of clover  
I hear you finally made it to the classy side of town  
It made me sad, got to feeling bad, until I thought it over  
And now I'm all right, because you're all right  
Baby, baby, I know you're sleeping warm tonight You crossed the tracks in a hurry. Yes you did  
You didn't even stop, to tell me goodbye, yeah  
But them pretty dresses that you're wearing, baby  
Are payment enough. You're sure looking tough  
I always told you, ah, that you had the stuff. Yeah, yeah? Baby, you're walking in fields of clover  
You're stepping high, like a lady should  
Now maybe someday you'll wave to me from across the tracks, yeah,  
And I'll be all right, knowing you're all right  
Baby, baby, I know you're sleeping warm tonight. Yeah, yeah?
