

November Rain

Steve â€˜nâ€™ Seagulls

When I look into your eyes
I can see a love restrained
But darlin' when I hold you

Don't you know I feel the same 'Cause nothin' lasts forever

And we both know hearts can change
And it's hard to hold a candle

In the cold November rain We've been through this such a long long time

Just tryin' to kill the pain But lovers always come and lovers always go
And no one's really sure who's lettin' go today

Walking away
If we could take the time
To lay it on the line
I could rest my head
Just knowin' that you were mine

All mine

So if you want to love me
Then darlin' don't refrain
Or I'll just end up walkin'

In the cold November rain Do you need some time... on your own

Do you need some time... all alone
Everybody needs some time... on their own

Don't you know you need some time... all alone I know it's hard to keep an open heart

When even friends seem out to harm you
But if you could heal a broken heart

Wouldn't time be out to charm you
Sometimes I need some time... on my own
Sometimes I need some time... all alone
Everybody needs some time... on their own

Don't you know you need some time... all alone And when your fears subside

And shadows still remain
I know that you can love me
When there's no one left to blame
So never mind the darkness
We still can find a way
'Cause nothin' lasts forever

Even cold November rain Don't ya think that you need somebody

Don't ya think that you need someone
Everybody needs somebody
You're not the only one

You're not the only one
