Dada

Hiroshima

Summer winds have blown away
More trouble than I'd care to say
Winter's sting has left me bare
Crossed thin ice just to get me hereStarting fresh, building slow
Take my time 'cause now I knowDon't need trouble when I'm feeling weak
A wearied man shouldn't try the peak
It's funny when I was feeling down
You'd like to take me for my last go roundStarting fresh, building slow
Take my time 'cause now I know[instrumental break]I'm to the bone but I'm no fool
The things I've been through you don't learn in school
Feeling good I've been through the mill
'Cause when you're empty you can start to fill
Starting fresh, building slow
Take my time 'cause now I know
