

# Not With Me

## Bondan Prakoso & Fade2black

I'm walking up my summers dreams again  
try to thinking if you're alright  
then I'm shattered by the shadows of your eyes  
knowing you were still here by my side I can see you if you were not with me  
I can say to my self if you were OKAY  
I can feel you if you were not with me  
I can reach you my self, you show me the way Life was never be so easy as it seems  
'till you come and bring your love inside  
no matter space and distance make it look so far  
still I know you're still here by my side  
I can see you if you were not with me  
I can say to my self if you were OKAY  
I can feel you if you were not with me  
I can reach you my self, you show me the way  
Yeah... you've made me so alive  
you give the best for me  
love and fantasy  
yeah... and i never feel so lonely  
coz you're always here with me  
yeah... always here with me  
I can see you if you were not with me  
I can say to my self if you were OKAY  
I can feel you if you were not with me  
I can reach you my self, you show me the way  
I'm walking up my summers dreams again  
try to thinking if you were alright  
then I'm shattered by the shadows of your eyes  
knowing you were still here by my side
