# Reincarnation Song

## Toad The Wet Sprocket

I thought I'd be alright today
I thought I'd be alive today
Give me your eyes, I'll show you things
You never dreamed you thought you'd seeI found myself in a light I'd seen in sleep sometimes or mescaline
And like the sun you can't stare into very long without it blinding youI thought this light would comfort me
I thought it would be easy
But there's a tugging at my sleeve
So much baggage I brought with me to leaveSomething so big I can't understand from trying to I would go mad
So I hurry back to little earth for another life, another birthAnother life another birthMother?
