

Everytime I...

Mario Vazquez

Advisory - the following lyrics contain explicit language:

Ooh, yeah, oh(I was)

I was always quick to always trip and turn and say I am sorry

(Guess I)

Guess I always thought that made everything okay(I did)

Did my share of dirt I know you probably heard about me

(When you)

When you asked I would just lie to your faceAnd I, I didn't appreciate, even when you walked away

I didn't realize that you were the one thing, I should have kept part of me

And baby I just can't deal without you, you're all I need

I know I didn't say much but girl you're the only one

I'm trippin' without you, I think about it everytime I, everytime I, yeah(Told you)

Told you that you were insecure when you'd be asking questions

(I had)

Had you second guessing yourself and what you mean to me(If I)

If I could take it back I would

(I would)

If I could take it all back I would

(I would)

Instead of playing games, this time I play for keepsAnd I, I didn't appreciate, even when you walked away

I didn't realize that you were the one thing, I should have kept part of me

And baby I just can't deal without you, you're all I need

I know I didn't say much but girl you're the only one

I'm trippin' without you, I think about it everytime IYou are the one thing, I should have kept part of me

And baby I just can't deal without you, you're all I need

I know I didn't say much but girl you're the only one

I'm trippin' without you, I think about it everytime II think about how it used to do

When I nights alone when I am rocking with you

I can't help but kick myself in the ass

Because I'm sittin' here about to blow it, I know I can't take no more

Time to change it up for sure 'cause I'm not trying to let you goYou are the one thing, I should have kept part of
me

And baby I just can't deal without you, you're all I need

I know I didn't say much but girl you're the only one
I'm trippin' without you, I think about it everytime I You are the one thing, I should have kept part of me
And baby I just can't deal without you, you're all I need
I know I didn't say much but girl you're the only one
I'm trippin' without you, I think about it everytime I Oh, oh, oh, oh, oh, oh, everytime I
Oh, oh, oh, oh, oh, oh, everytime I
Oh, oh, oh, oh, oh, oh, everytime I
Oh, everytime I, everytime I
