Yeah

Pre-Yello experiments by Boris Blank & Carlos Pero

"Can I be committed?", is the question in my head
All the issues in my life keep holdin' me back
Can I live up to the standard? Seems so hard to do
But then You tell me, "Take my hand", You'll help me make it through
You ask me, "Child, do you love me?"
And I say, "Yeah yeah yeah"
"But will you just give up everything?
Follow me", "Yeah yeah yeah"
We talk periodically, what should be everyday
Can imagine how it would be if I let You lead the way
No broken hearts, less scars, less roads that never have an end
So I'll throw away my pride let down my guard, Lord hear I am
You ask me, "Child, do you love me?
And I say, "Yeah yeah yeah"
(And then you say)
"But will you just give up everything?
Follow me", "Yeah yeah yeah"
When I just stop and think of all that you've done for me
How can I say anything but yeah yeah yeah?
(Yeah yeah yeah)
You ask me, "Child, do you love me?
And I say, "Yeah yeah yeah"
"But will you just give up everything?
Follow me", "Yeah yeah yeah"
You ask me, "Child, do you love me?
And I say, "Yeah yeah yeah"
"But will you just give up everything?
Follow me", "Yeah yeah yeah"
You ask me, "Child, do you love me?
And I say, "Yeah yeah yeah"
"But will you just give up everything?
Follow me", "Yeah yeah yeah"
