

# So Much You

## Big Ups

Tell me how you felt  
That night I never called your person  
Said be okay with yourself  
I haven't been with myself at allI'm so much you  
I'm so much you  
I'm so much you  
We spent too fewSaid you had no answer  
The night we slept together [?]  
Dreamt that I had cancer  
But I didn't care at allI'm so much you  
I'm so much you  
I'm so much you  
We spent too few  
Go to sleep  
Go to sleep  
Go to sleep  
Wake up [?] in painConfusion  
Confusion  
Confusion  
Confusion  
ConfusionSo much you  
So much you  
So much you  
So much youSo much you  
So much you  
So much you  
These [?] of you  
So much you  
So much you  
So much you  
We spent too few
