

# Green Disease

## Pearl Jam

It's a disease,... and they're all green  
It emanates from their being  
Agitation,.. with occupation And like weeds,.. with big leaves  
Stealing light from what's beneath  
Where they have more,...  
Still they take more Course I know,.. then I don't  
There's a stoway with my throat  
It's deceiving  
I don't believe him We can scream,.. out our doors  
Behind the wall a fat man snores  
In his dreams he's,...  
Choking on leaves
